1 of 1 review helpful I love this book By Customer I bought this book to replace the book I bought when it first came out so many years ago I know it's in my house somewhere but for the life of me it's hiding really well Our favourites are the Double Chocolate Oatmeal Cookies I used to make them for my kids almost weekly when they were small All of the recipes are easy to follow with ingredients most people already Blue ribbon baker Betty Crocker has dreamed up a collection of cookies so delicious and so sure fire readers may never eat store bought cookies again More than 100 recipes are collected here Full color photographs
