17 of 17 review helpful Something Special By T Wade I pre ordered a copy of this book as I had already been using some of Irvin Lin's recipes and knew I wouldn't be disappointed I love to read cookbooks and have quite a collection This book is something special I consider myself a good baker but believe that this book will nudge me toward becoming a great baker It's clear that Irvin Lin created this book with a Incredible desserts with layers and swirls of

flavor that are beautiful and delicious inside and out. When you marble layer and swirl doughs, batters, toppings or frostings, good looks and good taste come together in one total package. Irvin Lin, creator of the popular blog Eat the Love, shows how these techniques open the door to inventive flavor combinations that look as fantastic as they taste. Bakers of all levels will enjoy recipes ranging from "My goodness" this cookbook. It's filled to the brim with recipes for the most splendidly beautiful cakes, cookies, breads and tarts. I think I've ever seen. My eyes kept getting wider and wider as I turned every page—both the flavor and the art.
