2 of 2 review helpful Cookies for Kids By petition\_girl This cook book was my favorite when I was little The poor thing ended up so abused and stained missing pages that I think my mom just ended throwing it away I was so excited to find it on If you re lucky enough to own it this one is great for parents and kids lots of themed recipes including holiday ones I think my favorite recipe is still Snowbal Text and photographs present detailed instructions for making a variety of cookies including holiday no bake and natural ones
