5 of 5 review helpful I ve had better cookies By A Customer I bought the book because of the mouth watering looking ribbon cookies on the cover so that was the first recipe I tried when I got my copy I was disappointed first of all because the dough wasn t easy to handle at all and the end result was a bland tasting cookie a little dry even I tried the spritz cookies as well and wasn t thrilled with those either Eighty two recipes provide a sampling of time tested all time favorite s from Better Homes and Gardens 27 color photos
