Whoopie Pies: 70 delectably different recipes shown step by step, with 250 photographs:

5 of 5 review helpful great book recommend to use metric measurements By VanillaBean This is a wonderful book We spent quite some time browsing through the beautiful pages and deciding which recipes to try first Our first attempt of the mocha whoopie pie did not quite work but not to be discouraged we tried the cardamon and clove

whoopie pie second We realized that the author's background is from Europe so we decided Bring the indulgence of the bakery to your own home with this sensational new book containing a treat for every taste About the Author Mowie Kay is an exciting new talent whose passion for baking developed at an early age He grew up in a family of German bakers with his mother grandmother and great grandfather having followed the profession Mowie is most well known for his a
