6 of 6 review helpful Beautiful book recipes just about impossible to follow unless you re a pro By ace Bought it for my girlfriend for Valentine s Day She loved it The book is beautiful and made with care but be warned the recipes within are not for the faint of heart or for amateurs She and I have tried to make several recipes from this book and despite my girlfriend being a consistent and accomplished baking ho How to make cakes that are as delicious to eat as they are beautiful to behold Karen Krasne the ldquo Queen of Cakes rdquo according to Gourmet magazine brings a fresh and contemporary sensibility to special occasion cakes Instead of the conventional fondant and gum paste she relies on natural frostings based on chocolate cream or butter which are also easier to make What makes these cakes

showstoppers is their unexpected flavor combinations take for I hope that you were not planning on starting a diet tomorrow After reading this book your thoughts will be focused on the cakes Even if creating an extraordinary cake is not in your future the recipes are too good not to try Chocolate Croissant Id
