10 juin 2015 The art of cookery made easy and refined: comprising ample directions for preparing every article requisite for furnishing the tables of the nobleman, gentleman, and tradesman:

1 of 1 review helpful Five Stars By Roger T Roop Very useful information about 18th and early 19th century cooking This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate
