Paul Hollywood's Bread:

152 of 155 review helpful Great Bread Made Easy By Grandma I have been baking most of the bread that my family
eats for more than 50 years Even though I bake loaves just one or two at a time now that I live alone instead of the half
dozen at a go three times a week that I once produced baking my own bread is something I still enjoy it is still the

single easiest thing that I know of to do to save a big bundle of money o Paul Hollywood s new book is all about bread how to make it and how to use it Not only does Paul teach you exactly how to make a variety of breads but for each one there is a spin off recipe that shows you how to make a fantastic meal of it The book has six chapters each with five bread recipes plus the spin off recipes for main courses Not only are Paul s recipes delicious but they are also foolproof with comprehensive step by step photographs Try y ldquo Paul Hollywood is passionate about busting the myths that surround baking sharing his finely honed skills and showing that with the right guidance anybody can achieve success time afer time rdquo Sunday Telegraph on How To Bake ldquo Th
