3 of 3 review helpful Great little cookbook for red velvet lovers and its nice By Crystal Great little cookbook for red velvet lovers and its nice to have the recipes all in one place for easy access when making them I had already seen most of them from a pinning website so that was a little disappointing I d say if you re really into baking the book is worth it But if you re just looking for something to make on Customers can t seem to get enough red velvet Like

cupcakes donuts cake balls and whoopie pies red velvet creations are both homey and comforting and hip and cool They are the latest retro baking craze Red velvet has conquered lots of new territory in recent years and Deborah Harroun's The Red Velvet Lover's Cookbook is the first and only book devoted to this hot topic She has perfected the classics as well as a host of new inventive uses for this popul
