Nick Malgieri's Bread: Over 60 Breads, Rolls and Cakes plus Delicious Recipes Using Them:

7 of 7 review helpful Inspirational and Fun By Rick I don't know about you but I get tired of reading over exaggerated marketing hype So one thing that I appreciate about this book is the honesty and modesty of its claims for itself For prospective customers one of the best things that you can do is to check out the "Look Inside" feature which will afford you the opportunity to read the back cover of More and more people are rediscovering baking bread from scratch at home All you need is an expert book with failsafe tips to get you through your first

experiments with yeast and turning the dough and Nick Malgieri's Bread provides you with just that. Working from the essential first building blocks of ingredients, equipment and techniques and taking you right through to the accomplished heights, Baking doesn't have to be such an elaborate process and in Nick Malgieri's new cookbook Bread, readers are provided with beginner tips and instructions that will help first timers nail the process and seasoned bakers improve. The book contains more than 60 recipes.
