17 of 18 review helpful Amazing information to make your best work By Heather Nicole The book did not disappoint So many decorating books leave out key directions and terms this book included many pictures and step by step photos even photos of how the batter should look Elizabeth has included items that you need to make your cakes

stunning and they are not special tools they're basics I love that Elizabeth does not use Features delicious recipes and modern basic techniques for successfully covering cakes in buttercream or fondant The book gives the reader information on creating beautiful, successful and creative cake designs using color theory and design principles with dozens upon dozens of examples Inside readers will find chapters including Cake and Frosting Recipes Elements and Principles of Cake Design Textur Even if you've never attempted to frost with flair this book offers help for creating cake designs Choose it for yourself to dazzle at the holidays or give as a gift to the cake baker on your list Detroit News
