0 of 0 review helpful Good but not what I hoped By Customer Well it s a good book but not what I was looking for Originally we had the either four or five volume set of cookbooks from the Institute because my mother went there I had hoped this issue would have greater connection to those volumes So Fine book but not for me This book was

originally published prior to 1923 and represents a reproduction of an important historical work maintaining the same format as the original work While some publishers have opted to apply OCR optical character recognition technology to the process we believe this leads to sub optimal results frequent typographical errors strange characters and confusing formatting and does not adequate
